Dear Ms. Reich:

We would like to take this opportunity to express our appreciation for your presentation on "Counter-Transference". Your address allowed our participants to examine more closely how as helping professionals, they are affected, and how counter-transference is a common experience. Not only did you provide them with concrete information, but a wonderful approach that spoke to everyone.

The feedback on your presentation was excellent. The participants found your topic extremely relevant to their work. It assisted them in understanding how important it is to call upon their "internal supervisor". In particular, they thoroughly enjoyed the role play portion, as it was truthfully accurate to what they experience. Thank you for sharing your own experiences with us, it was very insightful.

Once again, thank you for helping to make our 10th Annual English-language Employment Services Roundtable Conference an engaging and successful event. We wish you the best in the coming year, and hope to work with you again in the future.

Sincerely,

 Iris Unger
 Executive Director
